Dear Prospective Student:

Greetings in Jesus' Name!

Enclosed you will find the information you have requested. Please read through the material carefully. If you decide you want to enter our program, please fill out the complete application. You may return the application by mail or in person.

Receiving this information implies that prior communication has been made and an initial interview has taken place. Upon the return of this application, another interview will be conducted to review the information given and cover any other areas that may need to be addressed. PLEASE NOTE: There are circumstances when the Intake Coordinator may deem it necessary to waive the initial interview process, in which case, the post interview will still take place.

An application filled out and returned, plus an interview, DOES NOT constitute automatic acceptance into the Teen Challenge program.

In addition to the interview process, please keep the following in mind.

- 1. ALL pending legal matters such as court appearances or jail time MUST be taken care of prior to entering our program.
- 2. If you are on probation or parole, the court having jurisdiction over you must give approval prior to your coming here.
- 3. Because Teen Challenge is NOT A MEDICAL FACILITY, any necessary detoxification must be done PRIOR to admittance. Also, if you are on any psychiatric or psychotropic medications, pain medications, methadone-- or any other prescribed medications of this type—please have your doctor sign a release form stating that he or she is taking you off of the medication(s) and that you are adequately fit to participate in our program without saidmedication(s).
- 4. There is no intake fee to enter the program. Besides the blood tests (see #5), Teen Challenge Adult Centers of Texas is now free for anyone wanting to change their lives.
- 5. The following blood tests will also be required upon entering the program. The cost of these tests will be the prospective student's responsibility and, if given while in the program, will not be refundable once paid. Please DO NOT have the blood work done until given approval by the Intake Coordinator.
 - a. Hepatitis A, B, and C tests (not the vaccines)
 - b. HIV test
 - c. RPR or blood STD test
 - d. TB test

God bless you as you take this step of faith.

In God's Service,
